FCMB Prefunded MasterCard and Credit Cards Accepted on Amazon.com

November 25, 2010

First City Monument Bank Plc (FCMB) MasterCard Prefunded and Credit cards are accepted for online purchases on www.amazon.com with local delivery addresses in Nigeria.

Amazon.com offers the widest array of online merchants offering different items such as books, movies, music, games, digital downloads, kindle (e-book), computers, electronics, home appliances, toys, clothing, shoes, jewelry, sportswear, outdoor stuff, tools and home improvement tools, automotives and industrial items among others.

FCMB's Head of Card Business, Richard Esin who confirmed the acceptability of the cards for online payments in Lagos over the weekend, explained this, saying that the FCMB MasterCard Prefunded and Credit cards are fulfilling the promise of enabling customers participate in global e-commerce.

The FCMB MasterCard Prefunded and Credit cards both come equipped with enhanced security features that are accepted on Automated Teller Machines (ATMs), Point of Sales (POS) terminals and internet sites for online purchases in over 210 countries.

FCMB MasterCard Prefunded and Credit cards offer holders the convenience of shopping online and having the goods delivered to them in the comfort of homes or offices. Card holders also enjoy high quality goods at cheaper cost since online prices are usually lower than shop rack prices, Esin said while advising card holders to take full advantage of the festive season to shop online.
